Re: Position Work’s Council regarding additional member for the Supervisory Board

Dear Supervisory Board, dear Willem,

The Works Council received the following written documents on 7 September, 2022:

- An e-mail from Jeroen van Rossen with a request for a view of our council regarding the intention to expand the Supervisory Board with one additional person so that there will be 4 Supervisory Board Members and the possible candidate from the network of the Supervisory Board: Jeanine van der Vlist (the “Candidate”);
- The Profile for the additional Supervisory Board Member;
- The Background extension of the Supervisory Board;
- The C.V. of Jeanine van der Vlist regarding the Candidate (together the “Candidate Reports”).

The Work’s Council met with the Management Board, the Company Secretary and Willem Ackermans on Wednesday 14 September. During this meeting, the Supervisory Board member Willem Ackermans dealt extensively with the questions and comments from the Works Council.

The Work’s Council representatives (chairman, deputy chairman and the secretary) met with the Candidate on the 19th of September, 2022 and the Work’s Council has read the Candidate Reports. The following information in the Candidate Reports and of the meeting with the Candidate emerges: she seems to have an open, honest, hardworking and trustworthy personality which suits Alfen’s company culture.

We base our opinion on the data provided so far. We support the choice to propose the Candidate to the shareholders.

Naturally, the Work’s Council is happy to explain its view in more detail.

Kind regards,

Jan Jaap Koudstaal
President Works Council
